SCRUM VALUES

How to use:

1
As a Scrum Master or anyone invested in the Scrum framework, you will find this resource essential in understanding and applying the core values that drive the effective and successful implementation of Scrum practices in your team.

2
Assess your team's understanding and application of these Scrum Master Values through a **specialized quiz**. This allows you to evaluate your team's knowledge and alignment with these core values.

3
As you go through the **quiz**, feel free to refer back to this guide to gain a deeper understanding of the values, and to guide your team towards a stronger application of Scrum principles. We encourage you to share this quiz with your team members as well, as it can foster insightful discussions and collaborative growth.

Focus
Everyone focuses on the work of the Sprint and the goals of the Scrum Team.

Openness
The Scrum Team and its stakeholders agree to be open about all the work and the challenges with performing the work.

Respect
Scrum Team members respect each other to be capable, independent people.

Courage
Scrum Team members have courage to do the right thing and work on tough problems.

Commitment
People personally commit to achieving the goals of the Scrum Team.
